SUBJECT

Adult Services Manual (ASM)

PURPOSE

To inform local office staff of changes in the Adult Services Manual.

Adult Community Placement Policy-ASM 371-372

1. New SSI and SDA Monthly Payment Rates. The personal allowance of \$44.00 remains the same.
2. The Medicaid Personal Care Supplement was increased to \$167.67 effective as of October 1, 1999.
3. The Medical Services Administration (MSA) informed FIA that effective 10-01-1999 residents of County Infirmaries may be eligible for Medicaid. If the resident is eligible for Medicaid, the resident is to be accessed to determine eligibility for the Medicaid personal care supplement payment of \$167.67.

Independent Living Services Policy-ASM 364

- Introduction of form MSA-4676 Home Help Services (HHS) Statement of Employment.

Note: The Department of Community Health has developed this form to document that the HHS provider is the employee of the client (beneficiary) and is not employed by the State of Michigan. The MSA-4676 will also serve to document the identification of the provider. Staff should complete this form, which is available as a Word template, for all new applications, at the initial redetermination following the introduction of the MSA-4676 and each time a new provider is added to a case.
